OFFICE OF THE DEPUTY COMMISSIONER,

SUBJECT Continuance of the monthly grant to the
local Mahila Samaj at Doddballapur
own Municipality

Sir,

Advertin to Government Order No L 3685-86/L 104-41-40 dated 8-11-1941(Flag 'A') according sanction to the payment of a monthly grant of Rs. 7-8-0 by Doddballapur Town Municipality to the local Mahila Samaja during the year 1938-39 to 1940-41 and the payment of enhanced grant of 10/- per month during the year 1941-42, I have the honour to state that the grant was continued during the year 1942-43 also on the strength of budget provision. The Samaja has now constructed its own building which was opened last year by His Highness the Dowager Maharani of Mysore. The nursery school run by the Samaja is very popular, but it has not been possible to run it unaided. The Municipal Council stopped the grant from the beginning of the current year as an economy measure and the provision has been deleted in the sanctioned budget of the current year.

2 The authorities of the Samaja have frequently requested the Municipal Council to reconsider their original resolution and to continue the grant. From the statement of receipts and expenditure furnished by the President of the Samaj it is seen that the income from the membership is only Rs. 126-12-0 as against the recurring expenditure of Rs. 377-8-0 per year. The grant of Rs. 80/- from the District Board is not sufficient to balance the expenditure. Hence the continuance of the Municipal grant of Rs. 120/- per year is earnestly prayed in the interest of the education of children.

3 The Municipal Council have now resolved at their meeting

held on 28-7-43 that the grant of Rs 10/- per mensem may be continued during the year 43-44 subject to production of monthly accounts by the President of ~~the~~ Samaj. The Amildar President requests that sanction of Government may be obtained to the payment, ~~cost~~ ^{cost being met out of the} closing balance of the Municipality during the current year. I therefore request that sanction ^{be} of Government may/kindly obtained to the continuance of the grant during 43-44 and to the ratification of the payments made during the year 1942-43 on the strength of the budget provision which was irregular.

4 The connected records accompany for favour of reference

I have the honour to be,
sir,
Your most obedient servant,
